

There's NO EXCUSE for Impaired Driving Plan Before Your Party!

CALL ME CONTRACT

I understand the dangers involved with the use of alcohol and drugs and that being impaired will affect my judgement.

I promise never to compromise the safety of others or myself and that I will never drive a car, truck or any motorized vehicle while impaired and I will discourage others from doing so.

Because, I am committed to being responsible, I will call you for advice or a safe ride home if ever I am in a dangerous or uncomfortable situation.

I recognize your efforts to be responsible and agree to openly discuss the danger of alcohol and drugs in a non judgmental way.

I promise to never compromise the safety of others or myself and that I will never operate a motorized vehicle while impaired nor allow others to do so.

Because I care about you and others, when you contact me, I promise to be there for you and help you through the situation no matter what, either by suggesting possible solutions or by volunteering to pick you up, or by finding you a safe alternative ride.
